

## Yahoo! Small Business Implementation Guide

1. Open the provided file `bongocheckout.yahoo.light.js` and on line 157 enter your **partner key**.
2. From the Store Manager, open **Store Editor**
3. From the administration bar along the top of the screen, select **Files**. If you do not see this option, click the arrow to expand the menu.
4. Click **Upload**
5. Select the provided file `bongocheckout.yahoo.light.js`, set the filename to `bongocheckout.yahoo.light.js`. Ensure you have already edited this file and added your partner key. **Repeat this step to upload the included button image.**
6. Click **Send**
7. Click **Publish All Staged Files**
8. Right click the link to the uploaded file and select **Copy Link Address**, or click on the link and copy the URL from your address bar. **Also copy the URL for the button.**
9. Go back to the **Store Manager** (from the Files area, click Index then select Manager)
10. Open the **Checkout & Registration Manager**
11. Click **Page Configuration**
12. In the Page Message area, add the code below:

```
<form name="internationalForm" action="[CHECKOUT_PAGE_URL]" method="post"></form>
<a href="#" onclick="javascript:submitInternationalOrder(); return false;">
  
</a>
```

**NOTE:** It is highly recommended you replace the path to the button image with your own, otherwise IE may report security issues.

13. Replace `[CHECKOUT_PAGE_URL]` with the applicable URL given to you in your Partner Portal (<http://bongous.com/partner>).
14. Further down on the page in the HTML Head Section, add the following code:

```
<script type="text/javascript" src="https://ajax.googleapis.com/ajax/libs/jquery/1.5.2/
jquery.min.js"></script>
<script type="text/javascript" src="[URL OF YOUR bongocheckout.yahoo.light.js FILE]"></script>
```

15. Click **Save**
16. From the Store Manage page, under **Order Settings** click **Publish**
